**Now can you find....?
(Write the first name of the student in the space)**

A student who always brushes their teeth in the morning.

A student who usually walks to school.

A student who has coffee for breakfast every morning.

A student who never goes to the cinema.

A student who goes to the gym every week.

A student who takes their children to the park once a week.

A student who occasionally eats food from other countries.

A student who always comes to class every week.

A student who often studies English at home.

A student who is never late for class.

What I like to do

I like to do lots of different things in my free time. I like to go running three times a week and I go to the gym every Thursday evening. I sometimes play football with my friends on Saturday. I rarely watch football on TV.

I always drink coffee every morning, and I usually have toast with butter. I sometimes listen to the radio in the morning.

I like music. I always listen to music in the evening. I hardly ever go to concerts. They are too expensive in Dublin. Sometimes I play music with my brother. I go dancing every Friday night.

I never drink alcohol. I don't like it.
