This is Mrs Khan. She comes from Turkey. She has been living in Ireland for nine years. Her address is 12, Harrington Street, Dublin 2.

She is happily married to her husband for 12 years. His name is Ahmed. He owns a restaurant in the city centre. He says that he makes the best kebabs in Ireland.

Mr and Mrs Khan are very happy. They have received some wonderful news. Mrs Khan is pregnant. She is expecting a baby in six months. They are both "over the moon."

Mrs Khan is the manager of a clothes shop in the city centre. The shop **specialises** in clothes for Muslim women. She will stop working after eight months of her pregnancy.
